Re: Manuscript or work entitled _____ (the “Contribution”) for publication in the Journals published by **Scientific Steps International Publishing Services** (the “Owner” of the Journal)

Dear Contributor(s): Thank you for submitting your Contribution for publication. In order to expedite the editing and publishing process and enable **Scientific Steps International Publishing Services** to disseminate your Contribution to the fullest extent, we need to have this Copyright Transfer Agreement (the “Agreement”) executed. If there are any co-authors of the Contribution (“Co-author”), you must obtain each Co-author’s consent to the terms of this Agreement (including the rights granted to Owner) and obtain their signed written permission to execute this Agreement on behalf of the Co-author(s), and you must provide the written permission on request by the Owner or Scientific Steps International Publishing Services. If there are no such Co-authors, terms related to Co-author(s) in this Agreement do not apply. If the Contribution is not accepted for publication, or if the Contribution is subsequently rejected before publication, this Agreement will be null and void. Publication cannot proceed without a signed copy of this Agreement.

The Agreement:

The copyright, title, interest, and all rights, including subsidiary and/or derivative rights, in all languages in the Contribution entitled:

by: _____

is hereby assigned and transferred to the Journal effective if and when the Contribution is accepted for publication. Furthermore, this assignment and transfer applies to all other publications or reproductions by the Journal or its licensees, in which the above Contribution may be reproduced subsequent to its appearance in **Scientific Steps International Publishing Services** journals.

Scientific Steps International Publishing Services reserves the right to edit this Contribution. However, the author and/or copyright holder reserves the following rights:

1. All proprietary rights (such as patent rights) other than copyright.
2. The right to make an oral presentation of the same material in any form.
3. The right to grant or refuse permission to third parties to republish all or part of the Contribution or translations thereof. Such third parties must obtain the Journal's written permission as well.
4. The right to use all or part of this Contribution in future contributions of author in author's capacity as either author or editor, without charge, provided the Journal is properly credited as the source.

The author and/or copyright holder affirms that the Contribution does not contain material the publication of which would violate any copyright, trademark, intellectual property rights or other personal or proprietary rights of any private person or entity or governmental or quasi-governmental entity. [Therefore, the author must carefully verify sources of data other than those originated by the author.] In addition, the authors declare that the paper is submitted only to the Journal and that they have not been published already, nor are they under consideration for publication or in press elsewhere.
